Repro
Signs
"A diversified international investment firm with a
global perspective for global excellence"

BG Global acquires 30% of Repro Signs.

BG Global (Pty) Limited is pleased to announce that it has concluded a sale of purchase of a significant minority interested in Repro Signs. BG Global will occupy a board as well as economic voting rights in order to influence Repro's strategic direction for value creation and market dominance. Established 199o in Gauteng province, Repro Signs is a three-decade design and manufacturer of turn-key signage solutions; specializing in Road Signs, Safety Signs, Construction Signs, Mining Signs, LED Signage and Custom Branding for professional industries and individuals. In addition, Repro Signs also provides an extensive range of quality PPE and Safety Accessories suitable for road maintenance, civil engineering and mining industries. The addition of Repro Signs into the BG Global investment profile, further strengthens our diversification strategy as well as the pursuit to acquiring business that are defensible and where we firmly believe we can add immense value. BG Global will continue to acquire businesses that demonstrate resilience, market dominance and a vast scope for growth in order to add impactful, result orientated value for our shareholders, commented, Banzi Giyose; Director and VP of BG Global (Pty) Limited. For any additional requirements, please contact us on the below contact details.
