MINERALS COUNCIL
SOUTH AFRICA
"A diversified international investment firm with a
global perspective for global excellence"

BG GLOBAL BECOMES A MEMBER OF MINERALS COUNCIL OF SOUTH AFRICA.

BG Global Proprietary Limited ("BG") is pleased to announce that it has been elected to be part of the Minerals Council of South Africa. Key personnel within the BG Global mining divisions will form part of key policy making bodies within the council, which are representative of the mineral endowment of the South African mining sector.

The Minerals Council South Africa (Minerals Council) is a mining industry employers' organisation that supports and promotes the South African mining industry. The Minerals Council serves its members and promotes their interests by providing strategic support and advisory input. It also acts as a principal advocate for mining in South Africa to government, communicating major policies endorsed by its members. A further vital function of the organisation is to represent some sectors in collective bargaining with organised labour.

BG GLOBAL BECOMES A MEMBER OF MINERALS COUNCIL OF SOUTH AFRICA.

It's Vision is to reposition the South African mining sector as South Africa's foremost industrial sector. The Minerals Council seeks to create, in partnership with key stakeholders, a conducive policy, legislative and operating environment that facilitates doubling real investment in mining by 2030. "This signifies a step in the right direction in ensuring our company contributes to sustainable mining, wealth creation and job creation within the country.

BG Global and its mining focused subsidiary companies seek to be a key operators, responsible mining firms' and contributors to the South Africa economy and GDP objectives for generations to come and this step solidifies our collective efforts to realise our company objectives"
