

PROCONTRACT MINING

“A diversified international investment firm with a global perspective for global excellence”

BG GLOBAL CONCLUDES AND SOLIDIFIES ITS CONTRACT MINING AND PROCESSING FOOTPRINT WITH THE ACQUISITION OF PROCONTRACT MINING

BG Coal (Pty) Limited, founded in 2019, is a wholly owned subsidiary of BG Global which in turn has acquired a significant equity interest of 40% in ProContract Mining (Pty) Limited, based out in Mpumalanga, South Africa.

Founded in the early 2000's, the company is well experienced and entrenched as a open-cast and underground contract mining and mining services operator for medium-to-large-scale mining operations, with a full-suite of mining and processing expertise, and mining plant capability/fleet that services coal, chrome, manganese, iron ore, silica with active mining operations in the Witbank, Middleburg, Belfast, Delmas, Piet Retief, Standerton and surrounding areas in Mpumalanga, Northern Cape, Kwa Zulu Natal, Limpopo and North West regions. The firm has a sum of 19 highly skilled mining teams that are currently servicing various mining sites with staff headcount of over 1,100 staff complement.

"Our investment strategy has always centered around seeking to hold equity position in companies that have long track-records in respect of operational perfomance and capability. This marks a great and significant step within BG Globals vision for the future market positioning and further instills our commitment to being an active partner that brings value and growth to its client and investment partners, thus, our job and purpose is to continue to operate with laser focus, resolve and strongly guided by of our values, ***Banzi Giyose****".*
