

"A diversified international investment firm with a global perspective for global excellence"

BG GLOBAL (PTY) LIMITED BUYS A MINORITY INTEREST IN MINING CONSULTING SERVICES (“MCS”).

BG Global (Pty) Limited is pleased to announce that it has secured and completed a transaction to purchase a minority interest in Mining Consulting Services (“MCS”). BG Global’s strategic move stems from its diversification strategy into investment options associated with the South African mining sector.

Mining Consultancy Services is an Australian headquartered underground & open cast production monitoring & systems firm focus in mining, construction, and the industrial sector. It has office presence in Australian (Brisbane), South Africa (JHB), and Russia (Moscow) with over fifty professionally accredited staff complement.

Established in 1988 in Australia and simultaneously in 2023 in South Africa, it has over 35 years of service in the mining industry and internationally recognised on its extensive expertise and experience in exploration, design, development and operation of underground and surface coal mines both in Australia and internationally.

MCS first attained ISO 9001 accreditation in 2007, aligned with its strategy to provide clients with high quality professional advice and prides itself with a level 4 Broad Based Black Economic empowerment credentials.

“Co-founder, Director and VP, Banzi Giyose commented, MCS further strengthens our growth expansion and diversification strategy, thus our intension is to be a value adding equity partner in order to penetrate new markets, thereby increasing MCS’s market dominance within niche segments in exists in.
