# THE BG LEGACY FOUNDATION

**Rooted in Faith. Driven by Purpose. Powered by Love.**

In a world that often rewards only the privileged few, the ***BG Legacy Foundation*** stands as a divine declaration of compassion, justice, and transformative generosity It is not simply a Corporate Social Responsibility initiative — it is a ***covenant. A tithe. A promise. A legacy.***

Formally established as the social impact arm of ***BG Global***, the Foundation is a ***transformative initiative founded on a dual calling***: a commitment to ***corporate social responsibility*** and a reverence for ***spiritual tithing***. With both principles woven into its DNA, the Foundation is not only a symbol of success — ***it is a vessel of service.***

**This is not charity.**

This is ***stewardship*** — guided by both corporate ethics and divine instruction. It's a recognition of ***God's grace***, provision, and abundant blessings upon the vision and journey of BG Global.

The Foundation is built on the ***Biblical principle of tithing*** — the sacred act of giving 10% of one's increase back to God, as instructed in Deuteronomy 14:22 and Malachi 3:10:

"BRING ALL THE TITHES INTO THE STOREHOUSE... I WILL POUR OUT A BLESSING SO GREAT YOU WON'T HAVE ENOUGH ROOM TO TAKE IT IN."

For BG Global, this tithe is more than symbolic. ***It is structural.***

The BG Legacy Foundation holds ***10% of the company's equity*** and receives ***10% of all annual earnings,*** to be poured out into the lives of those who need it most: underprivileged children, disadvantaged youth, and struggling communities across South Africa.

This sacred principle is now ***enshrined in the company's operational model*** — ensuring that every success BG Global achieves becomes a seed for ***real, lasting change*** in the lives of others.

**A Mission Forged in Fire, Guided by Faith**

While the Foundation looks toward the future, it is informed by a powerful past. BG Global's Chairman, ***Mr. Banzi Giyose***, knows firsthand the struggles that many South African children endure — from walking to school with broken shoes held together by wire, to being turned away from the classroom due to unpaid tuition.

These aren't distant memories. ***They are lived experiences*** that shaped a leader — one who understands the necessity of systemic support and ***spiritual resilience***.

It was through those difficult years that Mr. Giyose learned that hardship does not have the final say — ***faith does***. And that dreams are not built in isolation, but through grace, grit, and guidance.

The BG Legacy Foundation is the culmination of that journey — ***an answer to years of prayer***, a response to real need, and a ***promise to future generations***. It is an altar of gratitude, built with the understanding that blessings are not meant to be hoarded, but ***shared with purpose***.

**Faith-Driven Tithing & Stewardship**

Beneath every project, every act of service, and every future this Foundation seeks to change — lies a sacred commitment to God.

The BG Legacy Foundation is not only a tool for corporate impact; it is a spiritual covenant. A move rooted in deep reverence and obedience to Scripture. From its funding structure to its vision, every decision has been shaped by this faith — a bold act of devotion in a corporate world that too often forgets its Creator.

"YOU SHALL TRULY TITHE ALL THE INCREASE OF YOUR GRAIN THAT THE FIELD PRODUCES YEAR BY YEAR."

— Deuteronomy 14:22

It is through this divine framework that the Foundation finds its strength. This is not just a tithe of wealth — but of willingness, vision, and gratitude. And it is through this very faith that BG Global now declares:

"IT IS NOT ABOUT US... BUT THROUGH US, MANY NATIONS WILL BE BLESSED."

**Legacy, Reimagined**

The BG Legacy Foundation doesn't just give — ***it restores.***

It doesn't just act — ***it uplifts.***
It doesn't just believe — **it obeys.**

This is not about philanthropy. This is about purpose.
It is the manifestation of the belief that ***those who are blessed must become the blessing***, and that corporate power must serve ***God's eternal purpose.***

It is a storehouse built not with bricks, but with **compassion.**
A tithe not only of earnings — but of ***faith.***

Through it, BG Global boldly declares that success is not truly success unless it lifts others with it — joyfully, faithfully, and eternally.
