"A diversified international investment firm with a global perspective for global excellence"

ISAMBANE MINING HONOURED WITH LEGACY PARTNERSHIP AWARD AT MINING MMOGO GALA DINNER

During the **Mining Mmogo Gala Dinner**, held in conjunction with **Mining Indaba 2026**, a significant moment of recognition was shared as **Isambane Mining was honoured with the Legacy Partnership Award.**

The award recognises organisations that have established strong, lasting partnerships in the mining sector, built on trust, shared growth, and a commitment to strengthening the mining value chain.

For **Isambane Mining**, this recognition reflects a journey shaped by dedication, resilience, and the steady work of building meaningful relationships across the industry. Through its operations and collaborations, the company has consistently demonstrated that lasting success in mining is not only about production, but also about the people, partnerships, and shared purpose that underpin it.

As a strategic equity partner and shareholder, **BG Global** proudly recognises this achievement as an important milestone in the continued growth of **Isambane Mining**. The award stands as a recognition of the company's commitment to establishing a strong and trusted presence within South Africa's mining landscape.

Moments like these serve as a reminder that the strength of Africa's mining industry lies in collaboration — in businesses that work together to create opportunity, support communities, and build lasting value beyond the mine itself.

BG Global congratulates the entire Isambane Mining team on this well-deserved recognition and looks forward to the continued journey of growth and partnership ahead.
